Put a little song in your heart

Fans of the canticos sing-along series will love this new bilingual book collection for babies, toddlers and preschoolers.

Introduce first concepts - early language and math concepts - in English and Spanish with Canticos' new Bilingual Firsts series.

Learn the alphabet, first words, feelings, numbers, opposites and shapes & patterns - in both English and Spanish - with the six titles in **Canticos' new Bilingual Firsts** series for kids ages birth to 5 years: **Letters A to Z**, **First 100 Words**, **Feelings**, **Numbers 1 to 100**, **Opposites**, and **Shapes and Patterns**, each written and illustrated by Susie Jaramillo (\$12.99 board book, 6 x 6").

In **First 100 Words**, children learn 100 commonly-used words found in nature, transportation, school, sports, music, kitchen, and more: ex. Frog = Rana; Flowers = Flores; Wheels = Ruedas; Desk = Escritorio; Tennis

balls = Pelotas de tenis; Guitar = Guitarra; Milk = Leche; Moon = Luna.

Letters A to Z presents 26 words in English and Spanish with both uppercase and lowercase letters - ex. A for Apple (Manzana), a de árbol (Tree); B for Balloon (Globo), b de barco (Boat) - for fun and easy learning of the alphabet.

Feelings shows kids a wide variety of emotions in both Spanish and English. Emotions such as Happy / Feliz and Angry / Enojado will have kids making all kinds of faces as they are encouraged to show us how each of these emotions look.

"We believe Bilingual is Better!," says author Susan Jaramillo, "and created this series to offer fun, engaging bilingual preschool resources so your little one can learn both English and Spanish from a young age."
