DAIA ANNUAL PARTNER AND EVENT SPONSORSHIP OPPORTUNITIES

The **Demolition & Asbestos Industry Association (Qld) Inc**. ("DAIA") was incorporated in 2006, has an extensive membership list comprising small to medium businesses and larger corporate enterprises from across the demolition, asbestos removal and resource recovery sector, as well as associated industry businesses such as equipment suppliers, associated trade services, training providers and green waste contractors. Our members are primarily from the greater Brisbane area, but also come from across South East Queensland, including Toowoomba, the Gold Coast, the Sunshine Coast, and North Queensland.

Our primary aims are:

- assisting members to keep up-to-date with relevant industry and business issues;
- promoting safe work practices;
- encouraging minimisation of landfill through increased recycling of valuable resources;
- lobbying for legislative change to protect people, resources and the environment; and
- education of members and the general public about asbestos awareness and the benefits of recycling.

DAIA members are decision makers within their organisations and are responsible for, amongst other items, the following:

- Finance
- Purchase of equipment
- Human Resources
- Risk Management
- Governance
- Accreditation

We are pleased to provide information on Annual Partner and Event Sponsorship opportunities for your consideration and would be pleased to discuss any of the options listed or develop other sponsorship initiatives.
